

MediaSprint L – mobile, lockable and multifunctional

Design with telescopic pull-out sliding laptop/keyboard shelf (brushed aluminium) and utensils drawer

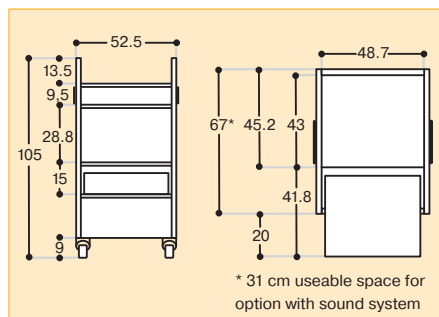

- Mobility on 4 large functional castors (2 lockable) and folding push handles sunk into the housing
- Fixed middle shelf and power outlet socket
- Continuous shutter guide rail prevents sticking
- Edge protectors on the castors protect against damage to the container
- **2 standard designs:** brushed aluminium body/matt chrome shutter or light-grey body (similar to RAL 7035)/matt chrome shutter

Dimensions H/W/D: 105/53/67 cm
 ● Weight (basis model) approx. 40 kg
